

Instructions for Ask a Mentor program:

We suggest that you navigate as far as you can through the instructions before the chat time. This will ensure that you are ready to go when the session starts. You will not be able to submit questions until the beginning of the scheduled session.

Go to mtips.org

Select Ask a Mentor from the menu bar or the box to the right

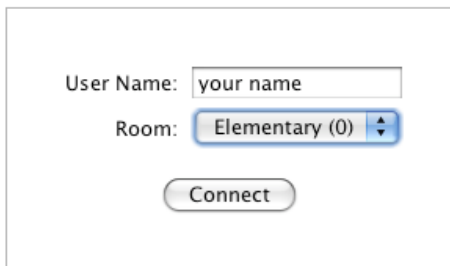

Select [log in to Ask a Mentor](#) on far right of screen. You may need to scroll right to see it.

Click here to
[log in to Ask a Mentor.](#)

Wait a moment for the user name box to appear and type in a user name (no restriction on use of characters)

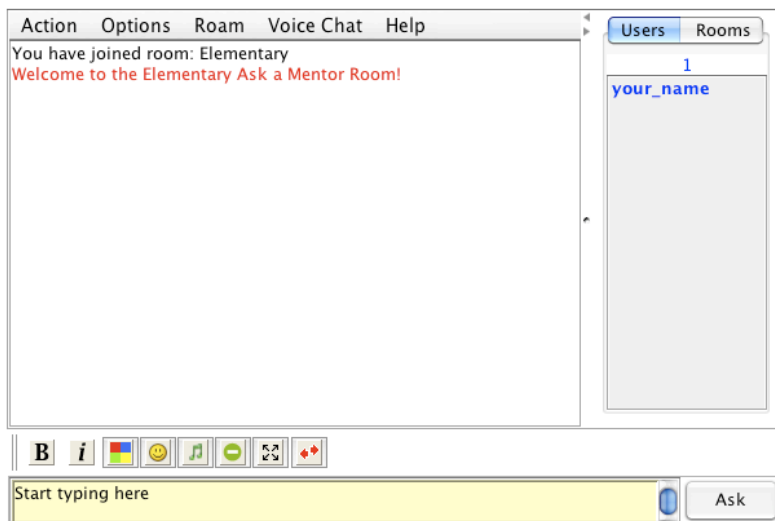

A screenshot of a user login form. It contains a "User Name:" label followed by a text input field containing "your name". Below that is a "Room:" label followed by a dropdown menu showing "Lobby (0)". At the bottom is a "Connect" button.

Select the room button and choose the room with the appropriate age group for your interest.

Select Connect Button

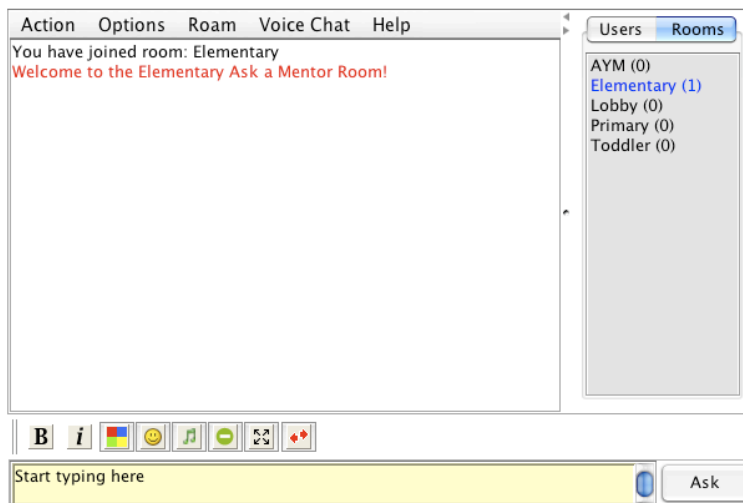

A screenshot of a chat room interface. The top menu bar includes "Action", "Options", "Room", "Voice Chat", and "Help". The main chat area displays the message "You have joined room: Elementary" and "Welcome to the Elementary Ask a Mentor Room!". On the right side, there is a "Users" tab showing a list with the number "1" and the name "your_name". At the bottom, there is a text input field labeled "Start typing here" and an "Ask" button. A toolbar with various icons is located above the input field.

This is the screen you should see. If you don't see the *Start typing here* box, you may need to scroll down.

Verify that the room you want to be in (Toddler, Primary, Elementary, or AYM) is the room you have entered by reading the red welcome note at the top of the box.

If you are in the wrong room, simply select the room button at the upper right hand of the box and select the correct room.

You are ready to submit your first question.

Type question in the designated box. Your question will enter a queue awaiting approval.

When approved, it will appear with an answer in the text box.

Note: You do not need to submit questions. You can log in and read only.
